2012-2013
CUB SCOUT EVENTS

Tech Talk: October 12, 2012 6-9 p.m.: Can you talk the Techy talk? What does the word technology mean? How is technology used in our everyday lives? Learn how the storm chasers use technology in the film Tornado Alley 3D! This fun event will help you earn your "Tech Talk" NOVA award.

Simple Machines: January 25, 2013 6-9 p.m.: Simple machines aren't so simple anymore! We will invent our own machines that use a lever, earn a belt loop, and go on the Putnam Museum's own Simple Machines Scavenger Hunt! This fun event will help you earn your "Swing" NOVA award.

Math Maniacs: March 8, 2013 6-9 p.m.: Math is everywhere! Can you calculate the height of the Putnam Museum? Can you figure out how much you would weigh if you were on the sun or the moon? We will learn all about math and how mathematicians use cryptography to design secret codes! This fun event will help you earn your "1-2-3 Go" NOVA award.

Health Matters: March 29, 2013 6-9 p.m.: What do you need to be ready in case of an emergency? Learn to be ready as a scout when we meet medics from the Red Cross and complete the Nutrition belt loop. This fun event will help you earn your "Science Everywhere" NOVA award.

For more information or to register, contact Alice Loff at 563-324-1054 ext. 266 or Kara Fedje at Fedje@putnam.org. Advance registration is required.
