

# First Aid, Medicine & Dentistry Merit Badge Clinics

**Saturday, February 4, 2012** will be the date of the 10th Illowa Council First Aid, Medicine and Dentistry Merit Badge Clinics.

There will be an opportunity for the First Aid Merit Badge Students to see state of the art first aid and resuscitation equipment. The Instructors will be EMTs, nurses, and physicians for this top notch clinic. Tours of the hospital departments and presentations by multiple medical specialties will be the Medicine Merit Badge curriculum. Dentistry will be at individual dentists offices that will be assigned (and contacted by the email address you supply) three days before the clinic (scouts must provide their own transportation).

**ALL Scouts should have read and reviewed the merit badge book in order to pass a written exam at the end of the day.** It is also recommended Scouts have achieved Tenderfoot Rank or higher.
