It's Cowboy Fun For the Whole Family  
So pack up your saddlebags and join us as we head into Scouting's Next Century!

All Cub Scouts and their Families are invited to attend this awesome Scouting event at Camp Loud Thunder, May 20-22, 2011. This year we are offering a choice of Friday night camping with Saturday morning activities or Saturday afternoon activities, with Saturday night camping. Which ever session you choose, you'll have a rootin', tootin' time as you try your hand at BB Guns, Archery, panning for gold and the many other theme related games and activities. Campers will be able to sleep in their own tents and will be put into campsites with other Scouts from surrounding Schools and neighborhoods so they can be with their friends. Families attending Saturday afternoon should eat before coming out to camp and ALL CAMPERS should bring along their own cold supper (Grills, camp-stoves and campfire cooking are **NOT** permitted). We will provide "MALTS" on Friday and Saturday nights, with a hot breakfast on Saturday and Sunday mornings. Can't spend the night? That's okay.....join us for the morning or the afternoon session.

Free to all New Scouts who have signed up since January 2011!

## **FREQUENTLY ASKED QUESTIONS ABOUT M.A.L.T.**

### **PLEASE SHARE THE FOLLOWING INFORMATION WITH YOUR PACKS.**

**QUESTION:** What should I bring to MALT?

**ANSWER:** You will only be spending one night so pack light. The main things you want to bring are these: Tent, ground cloth, sleeping bag and mat, personal toiletries, change of clothes, & a cold supper for everyone attending. Optional Items include these: Pillow, extra blanket(s) (it has been known to get cold at night), flashlight or lantern, camera and a water bottle. It helps to use a backpack and/or duffle bag to carry items into camp.

**Suggestion:** It has been known to get quite “cool” at night. The smaller the tent, the warmer you’ll be. For example, 2 persons in a tent that sleeps 2 will be warmer than 2 persons in a tent that sleeps 8.

**QUESTION:** Why aren’t we allowed to bring camp-stoves or have individual fires?

**ANSWER:** MALT is a **HUGELY** attended event, and this rule is to insure everyones safety. Should weather permit, there will be campfires in Designated Areas (only).

**QUESTION:** This year, there are 2 nights available to camp (like HALT), can we spend both nights, or do we have to choose one over the other?

**ANSWER:** Yes, you may camp both nights, but you will need to **Register and Pay for Both Session**. Plus, you’ll need to bring your own lunch and cold supper for both nights.

**QUESTION:** What if I forget to register. Can I still come out to MALT? And, can I still camp overnight?

**ANSWER:** Yes to both. Cost for Walk-Ins is \$10.00 per person. However, food is ordered according to preregistration, Walk-Ins will be responsible for ALL their own meals. Thank you for your understanding and cooperation.

**QUESTION:** My son pre-ordered a T-shirt. Where do I pick that up?

**ANSWER:** The Pack Contact Person will be picking up the T-Shirts as well as the Patches.

**QUESTION:** What if I or someone in my group gets hurt while at MALT?

**ANSWER:** There is a Health Officer on duty at the Camp Health Lodge. Also, since this is a overnight camp, the Cub Master, or Event Person, should have a copy of the (short) Health Form, for *everyone* who is attending, with them.

**PLEASE NOTE THAT:** Pets are NOT Allowed, and that Loud Thunder is a NON Alcohol, NON Tobacco Camp. These items are to be left at home.

Thank-you.
