Registration 8:00am

Opening Ceremonies 8:30am

Dismissal 4:00pm

Dear Cub Scout Leader or Helpful Adult,

The Pow Wow Committee is honored to have the opportunity to provide a diverse, unique and knowledgeable training event for our next generation of Scouters to give them the tools to explore and conquer Scouting's New Frontier.

We invite you to experience firsthand the benefit that up-to-date training will have on your Den and Pack along with the fun everyone enjoys at Pow Wow. Our qualified, seasoned instructors have been carefully chosen to provide expert advice within their subject specialties to give you the knowledge and confidence to make your Pack the best it can be.

The latest Position Specific training is available and presented live by real instructors with real answers. The new Den Meeting Delivery Method is focused at providing den leaders a blueprint for planning den meetings and is included in the position specific training. For those who have current position specific training, Pow Wow offers an update course "The new Den Meeting Delivery Method" so you may become familiar with this concept without retaking your position specific training.

Pow Wow in the Illowa council also offers Boy Scout and Venture level courses to a level comparable to a University of Scouting. Any adult may take any course at Pow Wow, Boy Scout and Venturing level courses may be selected from the Boy Scout and Venturing catalog available on line. Careful consideration should be taken before choosing these courses as they are considered too advanced for Cub Scout level applications and age appropriate activities.

The Pow Wow Committee encourages individuals to group together with their Packs and submit registrations as a Unit. This allows an opportunity for review by the pack to help assure the correct course selection and complete participation.

Pow Wow is an Adult activity aimed at anyone interested in Scouting at any capacity. You need not be registered with the BSA to attend Pow Wow however you must be 18 years of age or older with the exception of those Scouts participating in the Den Chief, SPL/ASPL or VLSC training courses or pre-approved Troop or Crew members participating as staff members.

Come join us November 6th and begin your journey into the New Frontier
