## Suggestions:

- Pack clothes and extra pair of shoes in ziplock brand gallon size freezer bags (they hold their seal better than most, and the thicker baggies are puncture resistant).
- Pack sleeping bag and pillow inside two garbage bags.
- The boys will receive a couple of sheets of paper to track their progress, so he **may** want to bring an extra quart size zippie to keep those dry.
- Do not send any food or snacks with your scout.

## Don't Forget:

- Aerosol cans are prohibited in scouting, as are open toe sandals.
- No electronics should be brought to camp.
- If you bring a pocket knife you **MUST** have your Whittling Chip on you at all times.
